

WALTHAMSTOW FOLK

How to Find Us...

The Plough Inn
173 Wood Street
Walthamstow
London E17 3NU

From most locations take the motorway to London then turn onto the eastbound A406 North Circular Road. Alternatively take the M25 to the M11, travel south to the A406 and turn Right (westbound) for one junction. If traveling from the South you may want to take the A102 North through the Blackwall tunnel and then the A12 north to the A406.

From the A406 North Circular Road turn south from the Waterworks Roundabout staying in the outside lane and then turn immediately right onto the A503 Forest Road. Turn left at the Library into Wood Street. The Plough is on your right immediately after Wood Street BR.

There are no major restrictions on street parking in the local area in the evening.

There is comprehensive travel information at the venue website www.theploughinne17.co.uk
